

Lions Camp Badger Monthly "Newsy Notes"

September 2011

In Loving Memory...

HAASE - Roger W. Of Tonawanda TWP, September 15, 2011, beloved husband of Bonnie J. Beck Haase; dear father of Rod (Terrie), Christine (Kenneth) Englert, Mark (Lisa) Haase, Sandy (Paul) Carozzolo; loving grandfather of Kim, Tom (Angie), Amanda, Becky, Brandon, Adam, Lindsay, Sam, Lauren, A.J., Abby and Teddy; great-grandfather of Nicholas; brother of Carole Makowski, Gary Haase and Leroy (Donna) Haase; also survived by many nieces and nephews. Memorials to Lions Club of Kenmore, Attn. Camp Badger, PO Box 663, Kenmore, 14217 or Kenilworth UC of C are preferred.

This month's Newsy Notes is dedicated to our dear friend, PDG Roger Haase. Roger served as Treasurer on the Board of Directors for Lions Camp Badger since 2005. He was a dedicated Board member and huge supporter of the camp. Roger's life was dedicated to his faith, his family and his community service. He was a member of the Kenmore Lions since 1983 and held many offices in his club and within District 20-N. Roger also served on the numerous other boards including: Buffalo Eye Bank, UNYTS, Canine Helpers for the Handicapped, Vision Beyond Sight Foundation as well as being extensively involved with his church the Kenilworth United Church of Christ, having recently been named an Elder.

On a personal note, as the office manager/bookkeeper for Lions Camp Badger, I considered Roger one of my "bosses." But I also considered him a mentor, teacher, and most importantly, a friend. He had more confidence in me than I had in myself at times. I will miss his words of encouragement, his kind heart, his dedication to this camp and most of all, his sense of humor. His deep commitment to this camp was obvious, and I always looked forward to his trips to the camp with Bonnie. I miss his voice on the telephone asking, "How are you this fine, lovely day?"

Roger, if you're listening, you were right, every day is a "fine, lovely day."

From District Governor David Rupright (20E2) regarding the re- cent flooding and devastation in the Southern Tier of NY:

I have gotten several calls from Lions asking what they could do to help and at this time, I would ask lions of District 20E2 (and others if they desire) to make a donation to the district special funds project so if grants from LCI and the New York and Bermuda Lions Foundation do not provide enough help, we have an additional funds to draw from.

We have had Pin Swap and Auctions, Auctions and sales of individual pins at MD-20 Conventions, and participated in Auctions of pins at the Northeast Pin Swap. The pins auctioned off at the Northeast 8/19/11 raised \$274.

If you have trading pins that have been gathering dust up on the shelf and you would like to give them to a worthy cause please give the to Cynthia at Lions Camp Badger or a local member of the PTCNYB indicating they are for Lions Camp Badger. A letter thanking you for the number of pins donated for income tax purposes can be sent.

Thanks for your support in the past.

cashforcauses

the simple solution to community fundraising

Lions Camp Badger is registered with Tops Friendly Markets to participate in Ca\$h For Causes to raise funds to provide camperships for economically disadvantaged special needs youth.

No time limits. We will participate all year long!

Ca\$h for Causes is a great fundraising opportunity because people purchase groceries all year long. You don't have to ask people to make donations or buy extra products. Simply ask them to shop with gift cards instead of cash or credit!

Cash for Causes is easy.

Here's how it works:

1. Your Lions Club purchases TOPS Living Here Giving Here gift cards from our Lions Camp Badger Office (call 1-800-232-7060 & have gift cards delivered to your nearest Tops Store) at a 5% discount (minimum order - \$500). Each \$500.00 earns \$25.00 for camperships. **Please get your lions club involved today**
2. You resell them at retail to your group members, family, neighbors and friends who use the gift cards just like cash when they do their grocery shopping at TOPS.

Get started today!

It's fun and easy to watch your funds grow!

- Pre-printed flyers with program information
- Posters informing people where to buy your gift cards
- Table tent cards to use at group meetings when you sell gift cards
