

Camp Badger Monthly "Newsy Notes"

October 2010

Since our last "Newsy Notes," we've had a few exciting things happening here at Lions Camp Badger. First, some members of the Churchville Lions Club gave the Uplinger building/pavilion a much needed makeover. While the men were installing a

kitchenette complete with sink, full-sized refrigerator, microwave and small dining set, the ladies were sorting through all of the accumulated games, craft supplies and school supplies. Both jobs were sorely needed.

The kitchenette will allow coffee and small meals to be served in the building while holding meetings or conferences. And the neatly arranged and newly inventoried game/craft supply room will save so much time next summer when it comes time to use it. It looks terrific! Thank you Churchville Lions Club!

Gasport Lions and Newfane Lions were here to work on Gasport's adopted cabin #15. They replaced the roof with a shiny new tin roof as well as painted the interior of the cabin. What a motivated group. This was all accomplished in one day! Kudos and thanks to the Gasport and Newfane Lions Clubs. Your volunteerism is so appreciated.

More thank-you's go out to work groups from Gates Lions Club, who painted Room 7 in the Staff Hotel, and Big Flats Lions Club who installed backdoors on cabins #1 and #8 this past weekend. Lion John Stephens also came to help. We were very fortunate that the weather was cooperative!

Last but certainly not least, the Collins-Conroy Lodge at Camp Badger, formerly known as the Dining Hall, received an interior makeover just in time for a Fall wedding reception held on October 9th. The greenboard had already been hung in-

Just a note..the next deadline for submitting "Boxtops for Education" is November 5th. General Mills issues checks only twice a year in December and March. If you have a collection of BoxTops, no matter how small, please send them in as soon as possible, so I may include in our next submittal.

THANK YOU SO MUCH FOR YOUR CONTINUED SUPPORT!

side, but it needed spackling, painting and finishing. Dave and his crew worked diligently for about 3 weeks to get it completed in time for the wedding. They spackled, sanded, primed (3 coats), painted (2 coats) and stained. The floor was washed and waxed and the massive stone fireplace was given a wipe-down.

Thanks to the mother of the bride, the windows all received curtains and the bathroom a mini-makeover including a new privacy curtain, mirror, and vanity table that she has very kindly donated to the camp. One day before the wedding the final touches were added with rented linens, china, and glassware; special lighting, fabrics, flowers, centerpieces and lots and lots of candles! Because it was a fall wedding, the color theme was browns, reds and oranges. With the fireplace roaring and the candles flickering, the atmosphere was warm, inviting and magical!

Be sure to look for feature article with before and after photos of the Dining Hall and wedding in the Fall "Camp Badger News" in November.

So, don't forget about your Lions Camp when planning your next special event! We can accommodate your needs any time from April through June, September to October. You can come for the day, or come for a few days. Hold your next meeting, conference, family/class reunion, or wedding reception here. We have outdoor pavilions, indoor pavilions and of course the beautiful Collins/Conroy Lodge!

Of course, as Lions, you are always welcome to come and stay in our beautiful Lakehouse any time of year. Please call the office for details and rates.

~~~~~Altogether for Sept/Oct, we've had 24 volunteers, 64 Lions members for meetings, etc, plus about 150 guests for the wedding. ~~~
