LIONS CAMP BADGER

Home Of Empire State Special Needs Experience, Inc.

Your Lions Camp Badger is alive and well in beautiful Spencer, NY, 15 miles south of Ithaca. This year our dedicated staff continued the transition from a school based program to a special needs camping experience for our campers. The camp program is designed to support each camper's individual needs and goals; strengthen talents, skills and abilities; increase independent skills; gain self confidence and improve self awareness; make friends and have fun. This past summer all of our participants were supported by Lions Clubs, Leos Clubs and independent financial support. One camper received a full scholarship from her high school's Leo Club.

You and all the Lions of MD-20, New York and Bermuda are members of the Empire State Special Needs Experience, Inc. that operates Lions Camp Badger. In order to continue to provide these experiences, we need **your** help and support.
